# Introduction

## Empowering the Next Generation of Crypto Traders

TradeBNB Academy is a premier educational platform that equips individuals with essential trading skills, knowledge, and cutting-edge tools to excel in the cryptocurrency markets. Designed for traders at all levels, our programs ensure financial growth and long-term success.

### Why Crypto Trading?

- Global Financial Shift – Transition to decentralized finance (DeFi)
- Massive Profit Potential – Higher returns compared to traditional investments
- Early Market Advantage – Stay ahead before mass adoption
- Financial Independence – Gain control over your financial future

### Why Choose TradeBNB Academy?

- Expert-led Crypto Mentorship
- Master Spot, Futures & DeFi Strategies
- Live Market Sessions & 1-on-1 Guidance
- Mindset, Risk & Portfolio Management
- Global Workshops with Learn & Earn Rewards

# About TradeBNB Academy Ecosystem

## Mission Statement

To create financially educated, market-mature individuals who can thrive in the AI-driven economy through comprehensive crypto trading education and community support.

## Our Comprehensive Solution:

- Education First Approach
- Sustainable Earning Model
- Future-Ready Skills
- Community-Driven Vision

## Why Choose TradeBNB Academy?

- Mentorship – 1 on 1 expert guidance, not just pre-recorded videos
- Hands-On Training – Real market sessions beyond theory
- Earning Model – IBP program with sustainable income opportunities
- Global Community – Learn, collaborate, and grow with peers worldwide
- Recognition – Industry-certified credentials & premium resources

## What Makes Us Different

- Expert Mentorship & Real Market Training
- Comprehensive Trading Strategies (Spot, Futures & DeFi)
- Global Workshops with Learn & Earn Opportunities
- Future-Proof Skills with Risk & Mindset Mastery

# TRADEBNB – Beyond Trading, Toward Transformation

**Our Origin Story** – Born from a mission to protect and educate.

In 2023, we witnessed widespread losses from:

- Fake “gurus” promising overnight riches
- Pump-and-dump schemes disguised as education
- Complex products sold without clarity
- Emotional manipulation of the vulnerable

The turning point: **A single mother lost her children's college fund to a scam promising 1000% returns in 30 days.**

## Vision

The crypto and trading industry needs:

- Legitimate education over get-rich-quick schemes
- Transparency over hidden agendas
- Community support over isolation
- Long-term wealth building over gambling mentality

## Mission

Built on three core principles:

- Education Before Speculation – Skills first, no false promises, structured learning from basics to advanced.
- Community Before Profit – Member success, transparent fees, real mentorship.
- Protection Before Promotion – Scam awareness, risk management, and sustainable trading practices.

# Market Opportunity

## Current Market Size/Volume

The cryptocurrency market has transitioned from a niche opportunity into a globally recognized financial revolution.

## Global Adoption:

- As of 2024, approximately **6.8% of the global population owns** cryptocurrencies, equating to over **560 million users** worldwide.
- Crypto is reshaping traditional finance by enabling borderless transactions, decentralized systems, and innovative financial solutions.

## Market Size & Growth

- Market Size (2025):** Valued at **\$4.3 trillion**, the crypto market has become a significant asset class in the global economy.

## Growth Potential

- CAGR (2023–2030):** A robust **11.2%**, indicating sustained confidence and expansion.
- Increasing institutional investments and regulatory clarity are further fueling growth.

# Terms and Conditions

## General Overview

TRADEBNB.AI Terms and Conditions. By accessing or using the TRADEBNB.AI platform ("Platform"), you agree to these Terms and Conditions ("Terms"). If you do not agree, you must not use the Platform. TRADEBNB.AI reserves the right to modify these Terms at any time without notice. Continued use constitutes acceptance of updates.

**1. Platform Fees** **10% Withdrawal Fee:** Applied to all withdrawals, deducted from the withdrawal amount.

**2. 3x Reward Cap** – Users may earn up to 3x of their principal, including all profits and bonuses. After reaching this limit, payouts stop until a new top-up is made.

**3. Principal Withdrawal** – Withdrawals are based on current portfolio value with a 10% fee. Withdrawing principal reduces portfolio balance and future earnings.

**4. Earnings Cap:** Total earnings from self-trading, Trade Academy affiliate program, and bot trading referral/level bonuses are capped at 3x (300%) of the principal investment.

**5. Qualification for Rewards:** Rewards and achievements require an active team structure of at least five levels, based on activity and referrals.

**6. Risk Warning:** Cryptocurrency trading, including AI bot trading, is highly volatile and carries significant risk of gains or losses. Conduct thorough research before participating.

**7. Investment Caution:** Start with small investments, educate yourself on cryptocurrencies, and allocate only a portion of your portfolio to crypto trading for safer financial planning.

**8. Educational Purpose:** Platform information is for educational purposes only and not financial advice. Consult a financial advisor before investing.

**9. Withdrawal Requirements Minimum:** \$20

**10. User Responsibilities Safeguard Account:** Protect credentials and OTPs; do not share personal information.

**Liability:** TRADEBNB.AI is not responsible for losses due to incorrect addresses or compromised accounts.

**Note:** TRADEBNB.AI will never request personal details or OTPs.

**11. Account Inactivity:** Accounts inactive for 60 consecutive days will be permanently deactivated.

**12. Profit Distribution Trading Profits:** 50% to investors, 30% to affiliates, 20% to TRADEBNB.AI service fee.

**Copy Trading:** Profits depend on market conditions; no guarantees. Research and use proper risk management due to market volatility.

**Acknowledgment using TRADEBNB.AI**, you confirm you have read, understood, and agree to these Terms. Non-compliance may result in account suspension or termination. For questions, contact support via official Platform channels.

read, understood, and agreed to these Terms and Conditions. Ensure compliance to avoid disruptions in service.
